

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: ROUNDUP PRODUCTS
LIABILITY LITIGATION

MDL No. 2741
Case No. 16-md-02741-VC

This document relates to:
Giglio v. Monsanto Co., 16-cv-5658

**PRETRIAL ORDER NO. 180:
LETTER BRIEFS IN GIGLIO V.
MONSANTO**

Re: Dkt. Nos. 6124, 6126

In light of Giglio's apparent recovery, Monsanto's request to adjust the pretrial schedule in his case is granted. The case will now proceed according to the Wave 1 deadlines. Furthermore, the parties are not limited – in Giglio's case or any other Wave 1 case – to the general-causation experts called during the *Daubert* proceedings in 2017. That limitation was intended to apply only to the bellwether cases.

IT IS SO ORDERED.
